

Admissions Policy

Our registration with OFSTED restricts the ages and number of children at the setting at any one time.

We will not discriminate against children or their families for reasons such as race, religion, sex or ability.

The decision to take on any child will depend on whether we are able to accommodate the care they need. It is important that consideration is also given to the other children present, ensuring their needs continue to be met.

If your child has additional needs please discuss them with us to see how we can work together to meet their needs. All children will be welcomed and we will encourage the other children in our care to support us with this. We will request a four week settling in period on our contract, so if you or your child or we are not happy with the arrangement it can be terminated easily. When taking on additional children we must take into consideration the children already in our care who are happy and settled.

We do not offer drop-offs or collection to / from any pre-schools or nurseries.

We do provide drop-offs and collections to Downview County Primary school, (though spaces are very limited).

Our opening hours are 07:30 - 17:30.

If you have any comments or concerns regarding this admissions policy please do not hesitate to contact us for clarification.
